Examination Fees 2026/27

With effect 1st September 2026

Examination Fees and Booking Information (2026/27)

Thank you for choosing arc exams as your examination centre.

We are committed to providing a simple and transparent examination booking process. Our fee structure is designed to be clear and easy to understand, allowing candidates to see exactly what costs are involved before making a booking. Standard examination entry fees are published in full and do not contain hidden charges or mandatory extras. Where additional fees may apply ie optional services, late entries or Awarding Organisation charges etc, these will be clearly identified separately and communicated before any commitment is made.

This document outlines examination entry fees and associated service charges for the 2026/27 academic year. Candidates should review this information carefully alongside the arc exams Terms and Conditions before completing a booking.

Important Information About Fees and Entries

All fees and services are subject to eligibility requirements, examination availability, centre capacity, awarding body regulations, and applicable booking deadlines.

Please note the following:

Subject fees are charged per qualification, subject, component, unit, or examination paper, depending on the structure of the qualification.
Administration fees and optional service charges are separate from the standard examination entry fee unless otherwise specified.
The inclusion of a qualification/subject within this fee schedule does not necessarily guarantee availability for every examination series.
We advise all entries are submitted before the stated entry deadlines on page 4, otherwise 'Late/Very Late' surcharges will be charged
Candidates are responsible for ensuring all booking details (including AO, qualification, specification, tier, unit, and examination session, are accurate before confirming their entry.

Certain qualifications and services may require supporting documentation, tutor verification, approved access arrangements, practical assessments, coursework submission, technical checks, or confirmation from the relevant awarding organisation.

Decisions relating to examination entries, access arrangements, special consideration requests, non-examined assessment acceptance, coursework deadlines, post-results services, appeals, and similar matters remain the responsibility of the awarding organisation concerned. Payment of an examination or service fee does not guarantee approval, acceptance, or a specific outcome.

All bookings, amendments, cancellations, transfers, and refund requests are governed by arc exams Terms and Conditions at the time the booking is accepted.

Examination Entry Deadline Dates

The accurate and timely submission of examination entries to Awarding Organisations is critical to the successful delivery of **arc exams** services to candidates. Entries received after advertised deadlines can disrupt carefully scheduled processes and ultimately jeopardise provision of examination papers and delivery of results. Late entry fees are therefore applied to recover the costs associated with the additional processing requirements, late entry fee surcharges levied by Awarding Organisations and to promote the submission of entries by the advertised closing dates. Late entry fees will not be refunded
